WEDNESDAY 11 JUNE

UNOC3 Virtual side events programme

Event ID	Time in NY time	Organizers	Title of side event	One line description	Public contact email
V58	02:00 - 05:30 am	Sasakawa Peace Foundation, Nikkei	For a sustainable ocean – Forging social collaboration and international partnership from Nice and beyond	Discussing and presenting perspectives on the way to advance sustainable blue economies through social collaboration, innovation, blended financing, entrepreneurship and international partnership.	y-moriizumi@spf.or.jp
V15	04:00 - 05:20 am	Emam Organization for Development and culture, Ethical Seafood Research	AI for Ocean Conservation: Enhancing Ocean Health through Digital Innovation	Exploring how Artificial Intelligence can drive ocean conservation, enhance marine biodiversity, and support inclusive, tech-powered solutions for achieving SDG 14.	contact@emamngo.com
V3	04:00 - 05:30 am	Associazione Consiglio Consultivo del Mediterraneo- MEDAC	The EU Mediterranean Advisory Council (MEDAC) key role in the stakeholders' active engagement towards the EU Ocean Pact	The aim is to highlight the importance of an active and balanced stakeholder engagement by the MEDAC to accelerate the sustainable use of the Oceans considering socio-economic and conservation aspects	segreteria@med-ac.eu
V86	04:00 - 05:30 am	WIPO World Intellectual Property Organization, Climate Technology Centre and Network (CTCN), UNDP Ocean Innovation Challenge, UN Water	Innovation and technology for better oceans health	Discussion on the role of innovation and technology in providing solutions to improve ocean health in light of climate change. Tangible examples will be provided.	peter.oksen@wipo.int
V73	04:30 - 5:45 am	UN High Commissioner for Refugees, Office of the High Commissioner for Human Rights, SOS Mediterranee.	Seas as Humanitarian Spaces: Strengthening Search and Rescue Operations for Sustainable Ocean Stewardship	The event aims to foster dialogue on the unconditional duty to save lives at sea and to ensure a humanitarian space where coordinated, principled action enables rights-based rescue operations	giorgij@unhcr.org

UNITED NATIONS
OCEAN CONFERENCE
NICE, FRANCE 2025

WEDNESDAY 11 JUNE

UNOC3 Virtual side events programme

Event ID	Time in NY time	Organizers	Title of side event	One line description	Public contact email
V55	05:00 am	Reef Check Malaysia, Pacific Environment; Ramkhamhaeng University; University of Philippines Marine Science Institute	Community-based marine resource management in Southeast Asia: Benefits, challenges and lessons from four countries	The side event will examine community-based management from three perspectives - Community, Policy and Science, and aims to highlight best practices developed in four South East Asian countries.	liyana@reefcheck.org.my
V49	06:00 - 07:00 am	No Plastic In My Sea, Surfrider, Ocean Now! , Gallifrey Fondation, Environmental Investigation Agency, Fondation Tara Océan	Solutions to Plastic Bottle Pollution in Marine Environments	Against marine plastic pollution, let's discuss solutions and alternatives to Single-Use Plastic Bottles.	veille@noplasticinmysea.org
V87	07:00 - 08:30 pm	WomenVai, Prof F. Duarte Santos , Ulisboa / Prof L. Schmidt, Ulisboa / Y. Perso President WomenVai / J. Jeukendrup ICS University Lisbon PT /L. Dorveuax EPF school of engineering / F. Greco Patto Par Il Mare Foundation / F. Borenstein Ocean Pact, BR / U. Kelm Water Sanitation De	Increasing ocean related scientific cooperation, knowledge, capacity building, marine technology, and education	Increasing ocean related scientific cooperation, knowledge, capacity building, marine technology, and education	yvette.ramos@womenvai.org
V32	08:00–09:00 am	International Atomic Energy Agency (IAEA), International Atomic Energy Agency (Planning and Economic Studies), European Commission-Joint Research Centre, Korea Institue of Nuclear Safety, The Convention for the Protection of the Marine Environment of the North-East Atlantic	Nuclear Energy and Ocean Health: Powering a Sustainable Future	This side event highlights nuclear energy's key role in climate change mitigation and net-zero by 2050, and IAEA's support to MSs in protecting ocean health and reducing marine risks.	mel@iaea.org
V50	08:00–09:00 am	Norwegian Institute for Water Research (NIVA), AIR CENTRE - Atlantic International Research Centre	BlueMissionAA - Aligning Ocean Research with societal and planetary needs	Discover how the Responsible and Sustainable Research Reflection Tool empowers ocean and water projects to critically assess their purpose, research and innovation practices, and broader impacts.	Ellen.johannesen@niva.no

UNITED NATIONS
OCEAN CONFERENCE
NICE, FRANCE 2025

WEDNESDAY 11 JUNE

UNOC3 Virtual side events programme

Event ID	Time in NY time	Organizers	Title of side event	One line description	Public contact email
V61	08:00 am	SENS SOLIDAIRES, Institut International Georges Aristide,	ROUND TABLE : exchange work between schools, an international partnership for sea and ocean conservation.	Roundtable led by SENS SOLIDAIRES with French and international teachers from Costa Rica, Ivory Coast, Kenya, Senegal share the benefits of students exchange about seas and oceans conservation.	contact@sensolidaire.org
V75	10:00 - 11:00 am	United Nations Industrial Development Organization (UNIDO), Conservation International (CI); Save the Waves Coalition (STW); Peruvian Environmental Law Society (SPDA)	Surf Ecosystem Conservation: An Innovative Approach to Protecting Nature and Expanding Blue Economy Benefits	Explore how conserving the world’s surf ecosystems can protect coastal nature, empower local communities and spark innovative, sustainable growth in the blue economy.	m.sghir@unido.org
V27	11:00 - 12:00 pm	GRID-Arendal	Scaling High-Integrity Investment for a Sustainable Blue Economy: Towards a Blue Finance Architecture	Discover how a Blue Finance Architecture can redirect capital toward oceans, climate, nature, and equity, building the structures needed to turn ocean goals into scalable, investable action.	press@grida.no
V29	11:00 - 12:00 pm	Healthy Seas Foundation	Ghost Farms and Ecosystems of Change: From Marine Waste to Circular Solutions	Ghost farms are polluting our seas—but can become catalysts for change. Discover how cleanups, recycling, and partnerships are transforming waste into circular solutions.	info@healthyseas.org
V9	11:00 - 01:00 pm	CENTRE INTERNATIONAL DE DROIT COMPARE DE L'ENVIRONNEMENT, Law division (UNEP) Kenya; Barcelona Convention (UNEP/MAP) Greece; DEHUKAM, Turkey; GERN (Brazil); ACOPs (UK); Green rights coalition (France); IDDRI (France)	Legal indicators for measuring the effectiveness of environmental law: assessing SDG 14 for, the protection of seas, oceans and coastline	Legal indicators for measuring the effectiveness of SDG 14	michel.prieur@unilim.fr
